IOWA CIVIL RIGHTS
COMMISSION

April 7, 2017 Sioux City Public Museum

April 28, 2017 Cedar Rapids Public Library - Downtown

Build It Right IOWA

9:30 to 11:30 a.m.

Commission Investigator Emigdio López-Sanders will conduct this training for architects, developers, builders, and building officials. He will address each of the “accessibility” requirements for the design and construction of multifamily housing. He will describe the Commission’s procedures for detecting and remedying deficiencies.

Assistance Animals

1:00 to 3:00 p.m.

Commission Investigator Linda Grathwohl will conduct this training for property owners and managers. She will address reasonable accommodation for tenants with disabilities who require assistance animals. She will explain the differences between “service” animals permitted in public places and “assistance” animals permitted in dwellings.
