

Parking Guide for Visitors

Visitors to DRI's office are encouraged to use the parking facilities under the building for the best access. The parking garage is located on the Southwest corner of the Financial Center. The parking garage is marked for use by a hotel, it is also used for DRI parking.

Visitors will see the garage door shut. Pull up to the garage door, it will open. Then, enter the parking garage, take a ticket, and come to the office. After their appointment visitors will receive a 'chaser' parking pass that will cover the cost of parking in the parking garage. Simply submit the original parking pass and then submit the 'chaser' parking pass and then exit the parking garage.
