

## Parking Guide for Board and Council Members

Visitors to DRI's office are encouraged to use the parking facilities under the building for the best access. The parking garage is located on the Southwest corner of the Financial Center. The parking garage is marked for use by a hotel, it is also used for DRI parking.

The garage door will appear shut, pull up to the garage door, it will open. Then, enter the parking garage, take a ticket, and come to the office. You will receive a 'chaser' parking pass that will cover the cost of parking in the parking garage. Simply submit the original parking pass and then submit the 'chaser' parking pass and then exit the parking garage. If you pull into the parking below our building and can't find a spot, here are two additional locations nearby that you can use our parking chasers at:

- 1.) Street lot directly behind our building at 606 Mulberry, it has a big red park sign at the entrance.
- 2.) Parking Garage at 700 Locust, the entrance is just across the 8th street intersection, again there is a big red park sign. Look for spots with no reserved signage.
