Disability Rights Iowa and Iowa DD Council Announce Legislative Candidate Forums Across Iowa

Voters with Disabilities to learn more about their candidates' disability policy platforms

IOWA – Disability Rights Iowa and the Iowa DD Council are excited to host Disability Dialogue 2024. Disability Dialogue 2024 is a series of seven public forums in each part of Iowa. Each forum invites all legislative candidates from surrounding districts to share their positions on key disability policy issues. The panel conversation will be led by non-partisan moderators. Moderators will ask each candidate the same questions on their disability platforms. Community members are invited to ask their questions when the panel ends. These forums give voters with disabilities a chance to encourage candidates to better advocate for impactful disability rights policy during their term.
