Sign In

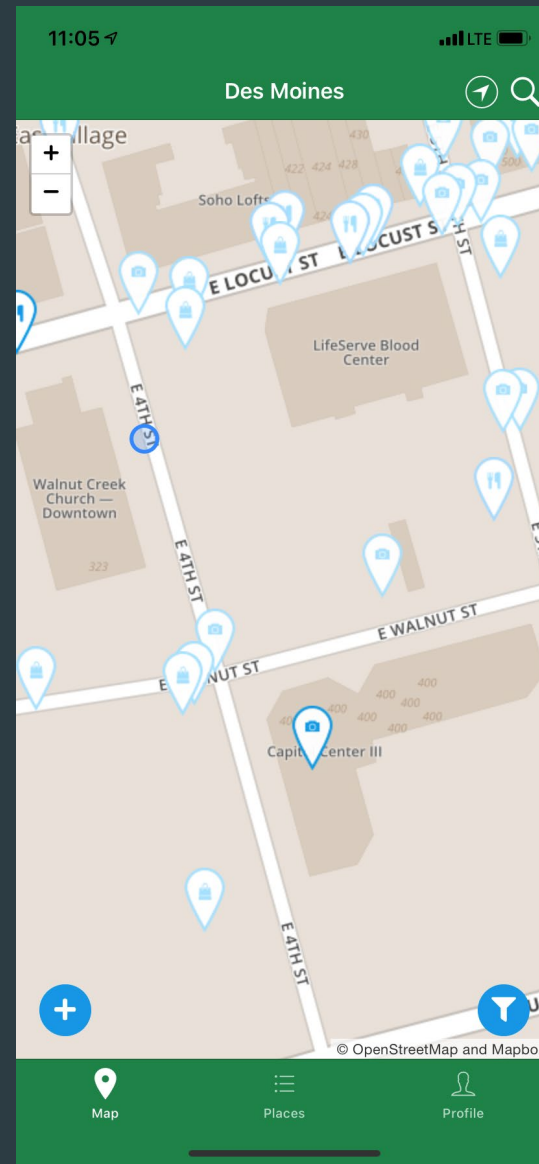

- After you've signed up, or used a Facebook or Google account, use that same method to log in to the app

The screenshot shows the login interface for the 'Access Earth' app. At the top, the time is 11:05, and the status bar shows LTE and battery levels. The app logo features three overlapping hearts in blue, green, and orange, with the text 'Access Earth' and the tagline 'Know more. Do more. Live more.' below it. Below the logo are two buttons: 'Login' (blue) and 'Sign up' (white with blue border). Underneath are two social login buttons: 'Google' (red with white 'G' icon) and 'Facebook' (dark blue with white 'f' icon). The form fields are labeled 'Username' and 'Password' in green text. The 'Username' field contains the text 'DRI'. The 'Password' field is masked with 12 black dots. Below the fields are two blue buttons: 'Login' and 'Forgot your password?'. A blue circular button with a white 'X' icon is located in the bottom right corner of the screen.

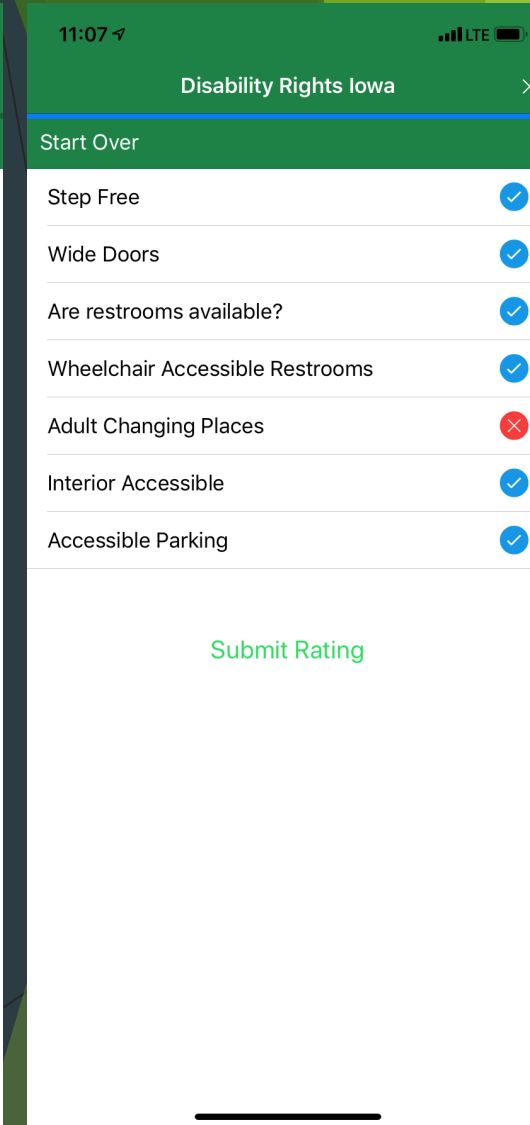

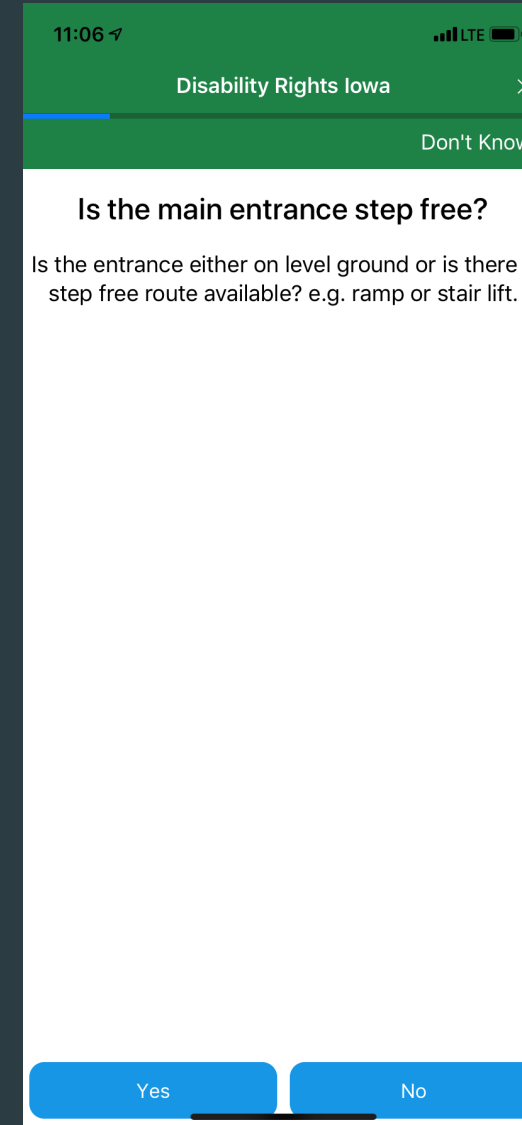

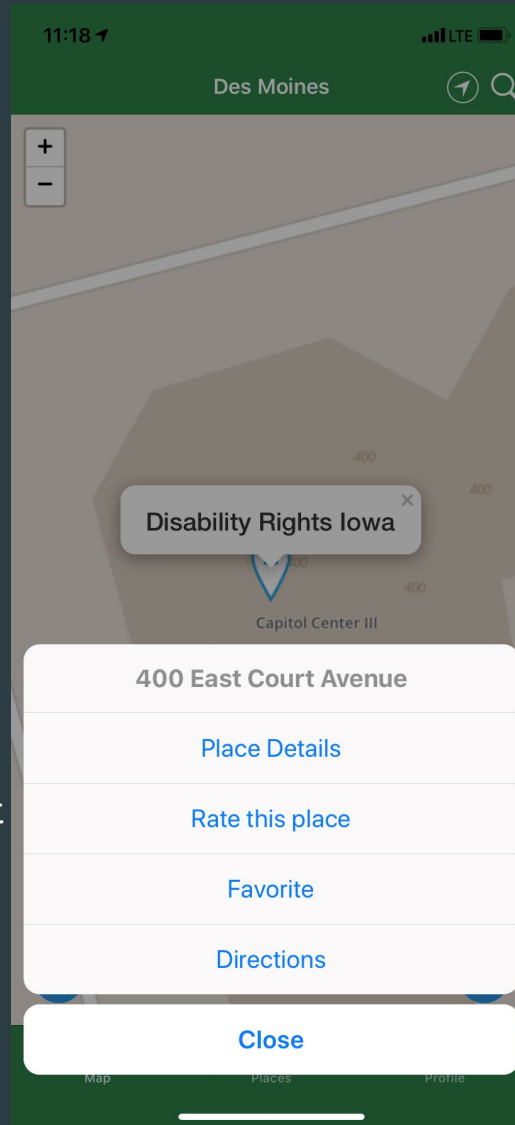

Initial Screen

- Shows approximately where you are
 - If it shows you in the wrong city, make sure that you have location services activated for Access Earth (check this in phone settings)
 - If you are using a desktop computer, your exact location may not be accurate, but it should be in the correct city
 - If you are in the incorrect city, type your city name in the search bar by clicking the magnifying glass in the top right corner
- Light blue map markers are un-rated places
- Dark blue map markers are rated places

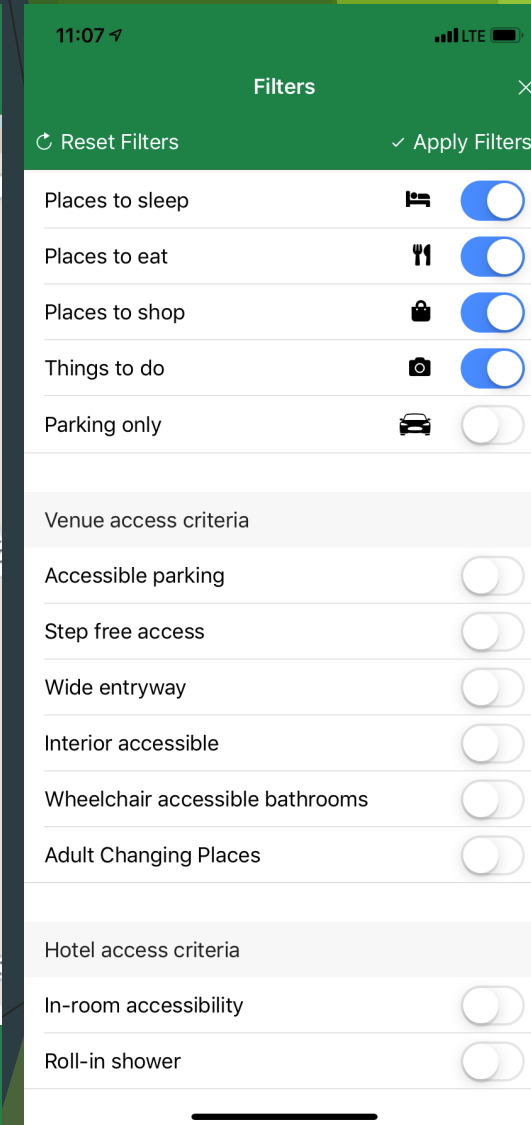

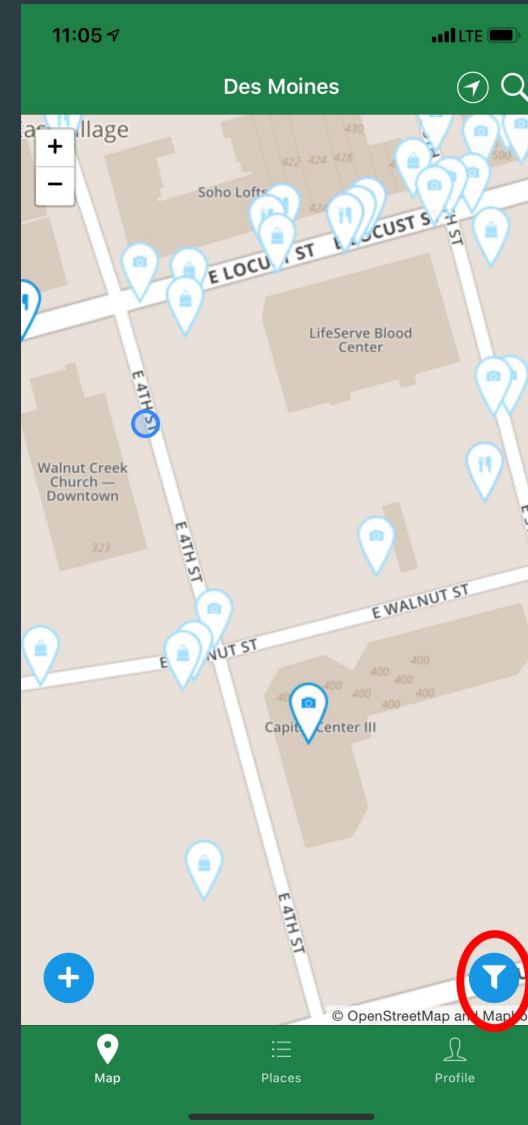

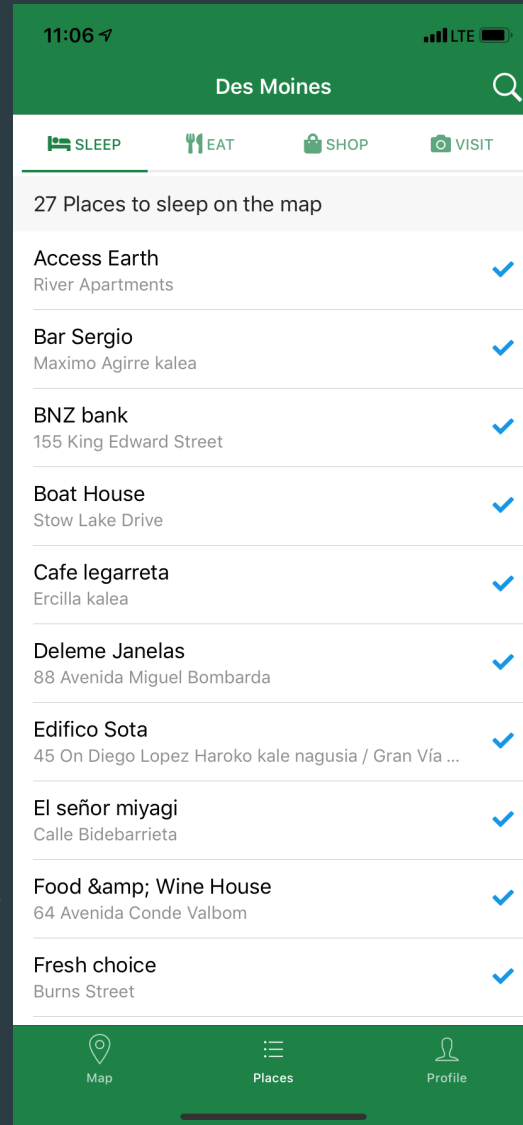

Rate a Place

- Click on any map marker, light or dark blue
- Choose 'Rate this place'
 - You can also favorite a place
 - View your favorites under your profile tab
 - Look at what others have said about a place
 - Or get directions to a place
- Next, answer questions as they show up
- Finally, submit your rating

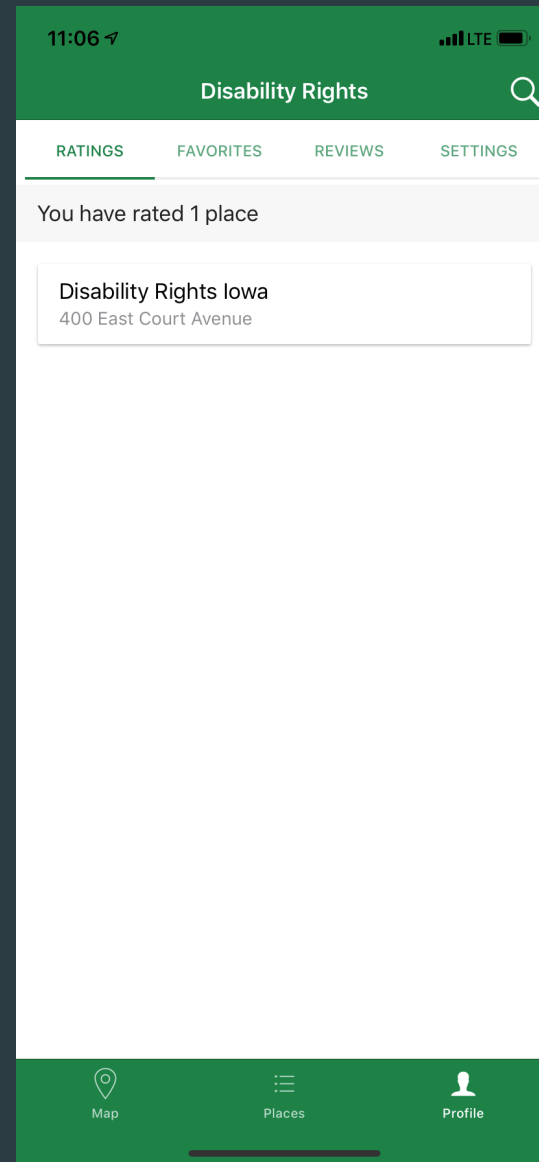

Search for Places

- Locations are filtered by four categories in the places tab
 - Places to Sleep
 - Places to Eat
 - Places to Shop
 - Places to Visit
- You can also customize your own accessibility filters by clicking the funnel button

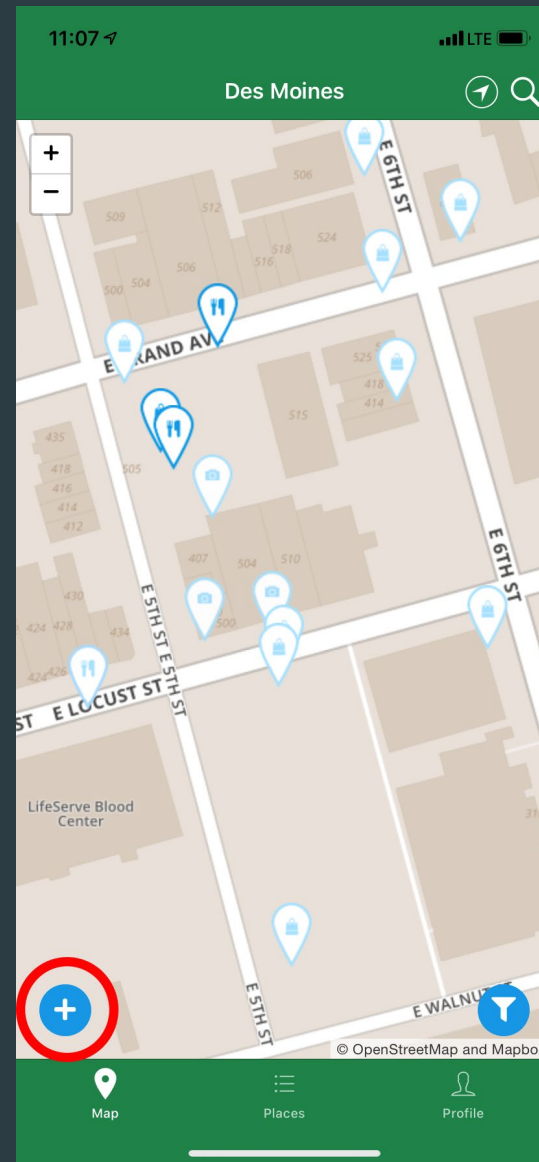

Review Places You've Rated

- You can see all of the places you've rated on the app under your profile tab

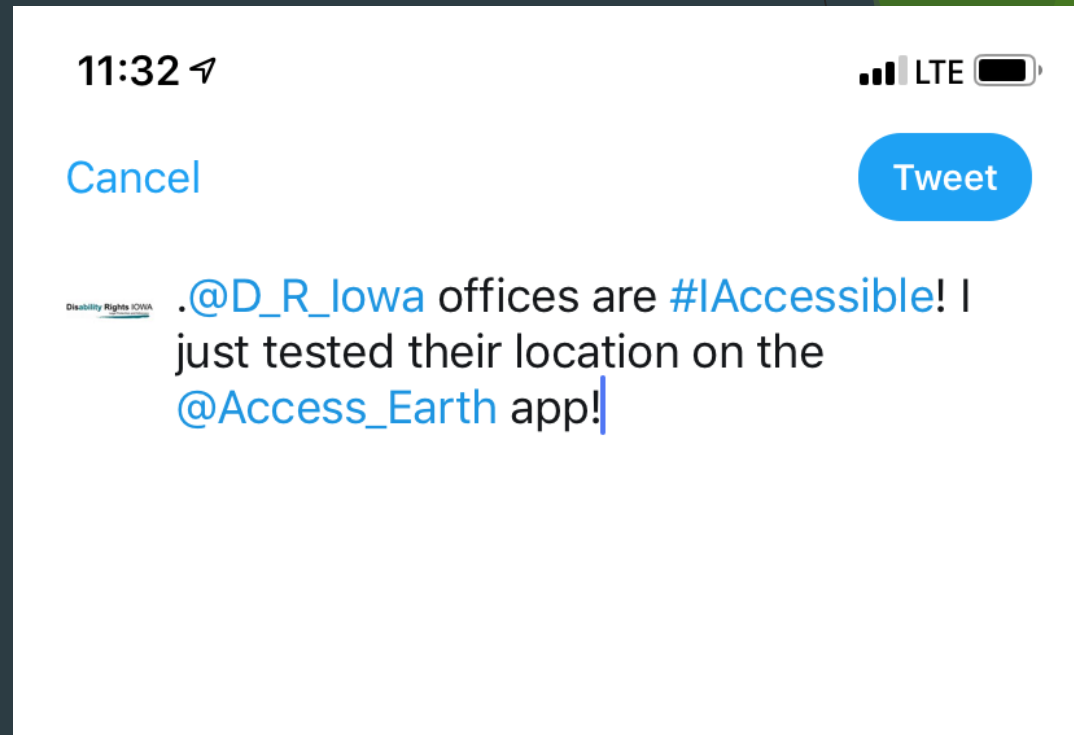

Add a Place

- Click the + button in the bottom left and tap where on the map you would like to add the place

Let People Know!

- When you rate a place, post about it on social media!
 - Use the #IAccessible
 - Tag DRI and the place in the post if possible!
