

FY2018 3rd Quarter Report

Reports Run 6/22/2018 for Board Meeting

Disability Rights Iowa had a large amount of service requests this quarter. The weekly caseload in the 3rd Quarter included new service requests. Over 400 requests for service were received, and those that DRI couldn't work on directly were given information and referrals. Around 90 cases are open and active. A majority of cases were under the Protection and Advocacy for Individuals with Developmental Disabilities, with 17 cases.

FY2018 3rd Quarter New Service Requests

114 projects were active during the 3rd Quarter of FY2018 in education/training, general public information, investigations, monitoring, systemic work, outreach, and research.
